

## One-Hour Teacher Service Project

The teacher service project is designed to help North Gwinnett's very busy teachers. A DECA member will assist a teacher for two, thirty minute sessions or one hour, before or after school. 1 hour of service earns 1 point. You can earn a maximum of 3 points. The service could range from grading papers to hanging posters or helping with bulletin boards. Each DECA member strives to make the North Gwinnett's chapter the very best through all activities that each member does.
